Buckley's Brown Butter Chocolate Chip Cookies

MAKES 16 | 15 MINUTES OF WORK | 12 IN THE OVEN

Carnivore base: brown butter, egg.

Keto assist: almond flour, sugar free chocolate.

You need

- ½ cup (1 stick) butter
- ⅔ cup granulated sweetener, brown style if you can find it
- 1 egg
- 2 teaspoons vanilla
- 2 cups almond flour
- ½ teaspoon baking soda
- ¾ cup sugar free chocolate chips
- ½ teaspoon salt, plus flaky salt for the top

The Reveal. Carry them in a plain tin with wax paper. When someone asks for the recipe, say it's a family thing. After the second cookie: "No sugar. No flour. Butter, almonds, and discipline."

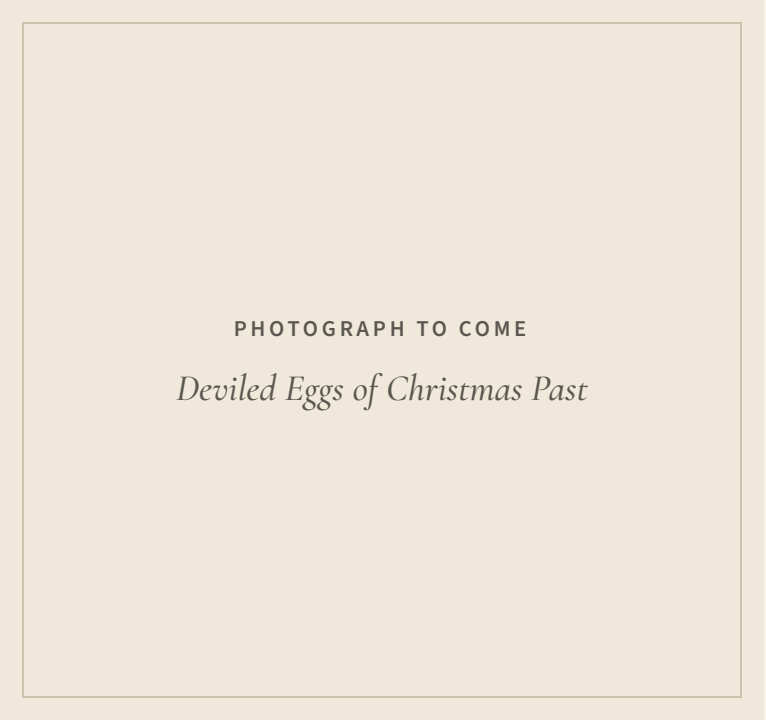

Do this

1. Melt the butter in a saucepan over medium heat and keep it going about 5 minutes, swirling, until it smells nutty and you see brown flecks. Pull it off and cool 10 minutes.
2. Whisk the sweetener, egg, and vanilla right into the pan. Stir in the almond flour, baking soda, and salt, then the chips.
3. Chill the dough 20 minutes. Heat the oven to 350°F.
4. Scoop 16 balls onto a parchment lined sheet pan and press each one down to about half an inch. Bake 10 to 12 minutes, until the edges are golden.
5. Hit them with flaky salt and leave them on the pan 15 minutes. They finish setting as they cool. Do not skip this.

You need

- 12 eggs
- ⅓ cup mayonnaise

- Smoked paprika
- Salt and pepper

> **Go full carnivore:** swap the mayonnaise for sour cream and leave out the mustard and pickle juice.

Do this

1. Cover the eggs with cold water in a pot and bring to a boil. Lid on, heat off, 12 minutes. Move them to ice water, then peel.
2. Cut each egg in half the long way and pop the yolks into a bowl.
3. Mash the yolks with the mayonnaise, mustard, pickle juice, salt, and pepper until smooth. Stir in half the bacon.
4. Spoon the filling back into the whites, or pipe it from a zip bag with the corner cut off.
5. Top with the rest of the bacon and a dusting of paprika. Keep cold until you leave.

The Reveal. Carry them in an egg tray or a muffin tin so they don't slide. No reveal needed on this one. Just say: "Eat as many as you want. This is what I eat every day."
